Davsteel, the steel manufacturing arm of the Cape Gate group is situated in Vanderbijlpark.

The Marketing office is in Johannesburg.

Davsteel's main product range includes reinforcing bar in straight lengths as well as coils; light section profiles i.e. angles, flats and squares; and wire rod for the processing of wire and wire products. Davsteel's sister companies, Sharon Wire and Oren Wire, both also divisions of Cape Gate (Pty) Ltd, utilise most of the wire rod production for a wide variety of wire and wire products including staywire cable and scraper rope.

Cape Gate manufactures its products in accordance with domestic and international specifications. A stringent quality management system is maintained in terms of South African Bureau of Standards specification ISO 9002 of 1994. Reinforcing bar carries the SABS mark.

Cape Gate (Pty) Ltd, Davsteel division
