

SOUTH AFRICAN IRON AND STEEL INSTITUTE

SAISI COMMITTEES

COMMITTEES

Committees of the Institute

The Council of the Institute, consisting of representatives of all the members, established ten standing committees. These committees are:

- COSM Committee
- Downstream Development Committee
- Economics Committee
- Environmental Affairs Committee
- Import Committee
- Export Committee
- Ferrous-supply Committee
- Forensic Committee
- Safety and Health Committee
- Committee on Technology

The committees meet regularly to discuss topics that may be of collective interest to the primary steel industry. SAISI members fund all operations of the Institute.
